## IREC TACTICAL Edition

### All-in-one Evidence Collector

#### FAST & HANDY

By automatically collecting all the critical data with a single mouse-click, **IREC** increases the incident response capabilities and provides you with the fastest IR ever.

#### EASY & USER FRIENDLY

Incident Response has never been easier before. Without installing, all you need to do is to run **IREC**, click on the mouse, and read HTML report created for you.

#### ALL-IN-ONE & SKILLFUL

By collecting & preserving evidences, **IREC** meets the needs of cyber security and digital forensic at the same time.

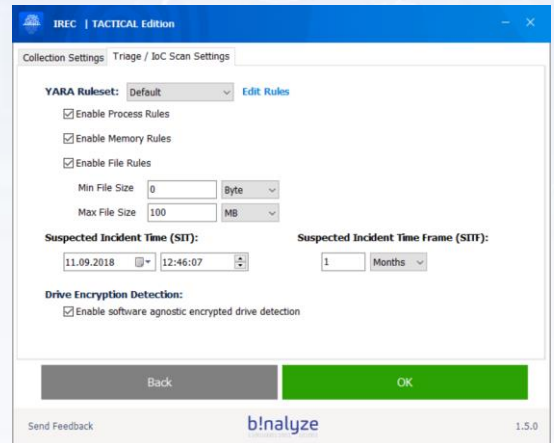

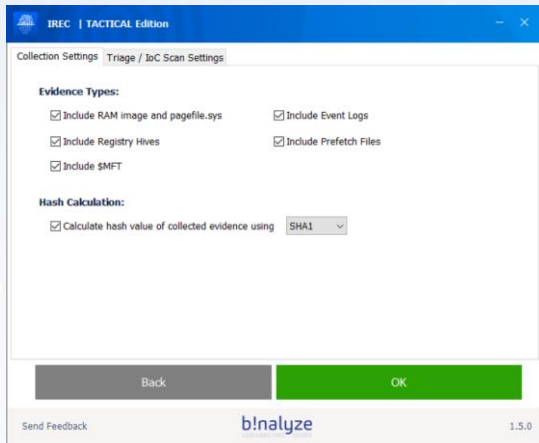

#### TONS OF EVIDENCE

By automatically collecting all the critical data with a single mouse-click, **IREC** maximizes the incident response capabilities and provides you with the fastest IR ever.
