- (h) violate or circumvent any technological restrictions within the Software or specified in this EULA, such as via software or services.

3.2 Decompilation. Notwithstanding the foregoing, decompiling the Software is permitted to the extent the laws of the Territory give You the express right to do so to obtain information necessary to render the Software interoperable with other software; provided, however, You must first request such information from Binalyze, provide all reasonably requested information to allow Binalyze to assess Your claim, and Binalyze may, in its discretion, either provide such interoperability information to You, impose reasonable conditions, including a reasonable fee, on such use of the

Software, or offer to provide alternatives to ensure that Binalyze's proprietary rights in the Software are protected and to reduce any adverse impact on Binalyze's proprietary rights.

3.3 Ownership. No other rights with respect to the Software or any related Intellectual Property Rights are implied. 5.0 Records and Audit

5.1. During the License Term for Software and for two (2) years after its expiration or termination, You will maintain accurate records of Your use of the Software sufficient to show compliance with the terms of this EULA. During this period, Binalyze will have the right to audit Your use of the Software to confirm compliance with the terms of this EULA. That audit is subject to reasonable notice by Binalyze and will not unreasonably interfere with Your business activities. Binalyze may conduct no more than one (1) audit in any twelve (12) month period, and only during normal business hours. You will reasonably cooperate with Binalyze and any third-party auditor and will, without prejudice to other rights of Binalyze, address any non-compliance identified by the audit by promptly paying additional fees. You will promptly reimburse Binalyze for all reasonable costs of the audit if the audit reveals either underpayment of more than five (5%) percent of the Software fees payable by You for the period audited, or that You have materially failed to maintain accurate records of Software use.

6.0 Support and Subscription Services

6.1. Except as expressly specified in the Support Services Terms, Binalyze does not provide any support or subscription services for the Software under this EULA. You have no rights to any updates, upgrades or extensions or enhancements to the Software developed by Binalyze unless you separately purchase Binalyze support or subscription services. These support or subscription services are subject to the Support Services Terms.

Binalyze will, at its own expense and as its sole obligation and Your exclusive remedy for any breach of this warranty, either replace that Software or correct any reproducible error in that Software reported to Binalyze by You in writing during the Warranty Period. If Binalyze determines that it is unable to correct the error or replace the Software, Binalyze will refund to You the amount paid by You for that Software in the current License Term, in which case the License for that Software will terminate.

7.2 Software Disclaimer of Warranty. Other than the warranty above, and to the maximum extent permitted by applicable law, Binalyze and its suppliers make no other express warranties under this EULA, and disclaim all implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and any warranty arising by statute, operation of law, course of dealing or performance, or usage of trade. Binalyze and its licensors do not warrant that the software will operate uninterrupted or that it will be free from defects or that it will meet your requirements.

8.0 Intellectual Property Indemnification

8.1 Defense and Indemnification. Subject to the remainder of this Section 8 (Intellectual Property Indemnification), Binalyze shall defend You against any third-party claim that the Software infringes any patent, trademark or copyright of such third party, or misappropriates a trade secret (but only to the extent that the misappropriation is not a result of Your actions) under the laws of such countries are part of the Territory for the License ("Infringement Claim") and indemnify You from the resulting costs and damages finally awarded against You to such third party by a court of competent jurisdiction or agreed to in settlement. - (a) promptly notify Binalyze in writing of the Infringement Claim;
- (b) allow Binalyze sole control over the defence for the claim, any settlement negotiations and any related action challenging the validity of the allegedly infringed patent, trademark, or copyright; and
- (c) reasonably cooperate in response to Binalyze's requests for assistance. You may not settle or compromise any Infringement Claim without the prior written consent of Binalyze.

8.2 Remedies. If the alleged infringing Software becomes, or in Binalyze's opinion be likely to become, the subject of an Infringement Claim, Binalyze will, at Binalyze's option and expense, do one of the following:

- (a) procure the rights necessary for You to make continued use of the affected Software;
- (b) replace or modify the affected Software to make it non-infringing; or
- (c) terminate the License to the affected Software and discontinue the related support services, and, upon Your certified deletion of the affected Software, refund:
- (d) the fees paid by You for the License to the affected Software, less straight-line depreciation over a three (3) year useful life beginning on the date such Software was delivered; and
- (e) any pre-paid service fee attributable to related support services to be delivered after the date such service is stopped.

Nothing in this Section 8.2 (Remedies) shall limit Binalyze's obligation under Section 8.1 (Defense and Indemnification) to defend and indemnify You, provided that You replace the allegedly infringing Software upon Binalyze's making alternate Software available to You and/or You discontinue using the allegedly infringing Software upon receiving Binalyze's notice terminating the affected License.

Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the preceding limitation may not apply to you. Binalyze's and its licensors' liability under this EULA will not, in any event, regardless of whether the claim is based in contract, tort, strict liability, or otherwise, exceed the greater of the license fees you paid for the software giving rise to the claim or \$5000. The foregoing limitations shall apply regardless of whether Binalyze or its licensors have been advised of the possibility of such damages and regardless of whether any remedy fails of its essential purpose.

Binalyze's licensors shall have no liability of any kind under this EULA and Binalyze's liability with respect to any third party software embedded in the Software shall be subject to Section 9.1 (Limitation of Liability).
